Séries. Avant les stars du cinéma en mai, Cannes accueille les personnalités du petit écran pendant Canneseries, du 5 au 10 avril.

Depuis 2018, Canneseries se positionne comme l'un des événements majeurs en France dédiés aux séries. Pour cette septième édition du festival cannois, vingt-six séries, venues de dix-neuf pays (dont la Chine et le Brésil pour la première fois), seront présentées.

Trois jurys seront chargés de les départager. La compétition principale sera présidée par l'actrice danoise Sofie Gråbøl (*The Killing*), le jury des séries courtes comptera sur l'équipe menée par l'actrice norvégienne Henriette Steenstrup (*Ragnarok*) et celui des séries documentaires sur l'actrice et réalisatrice Ovidie
