Zeph™ Chair Installation Instructions

Parts Included

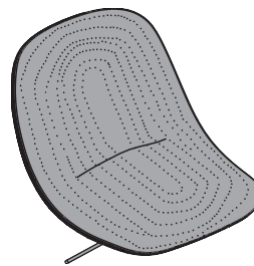

Base Assembly

How to assemble your chair.

Notice:

Some of the parts have been wrapped to protect them during shipping. Remove the plastic wrap before assembling the chair.

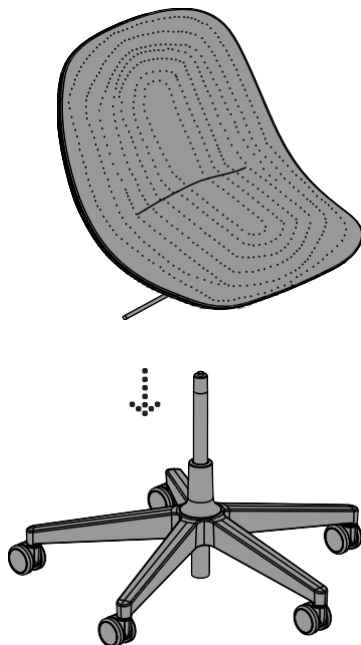

Back/Seat Assembly

Step 1

Attach the parts

1.1 Remove the base assembly and back/seat assembly from box. Place the back/seat assembly onto the cylinder.

Step 2

2.1 Sit in chair to engage tapers (cylinder/tilt and cylinder/base).

Congratulations!

Your new Zeph™ chair is ready to enjoy.
