# SCREEN ACTORS GUILD MODIFIED LOW BUDGET AGREEMENT

The Screen Actors Guild (hereinafter "SAG" or "the Guild") has agreed, on a trial basis, to modify, to the extent hereafter set forth, certain terms and provisions of the current Screen Actors Guild Codified Basic Agreement for Independent Producers (hereinafter "Basic Agreement") with respect to the employment of performers in the motion picture presently entitled "\_\_\_\_\_" (hereinafter the "Picture").

(hereinafter "Producer") acknowledges receipt of a copy

of the Basic Agreement.

# IT IS THEREFORE AGREED BETWEEN PRODUCER AND SAG:

## 1. <u>Acceptance as Signatory Producer</u>

Upon signing this Agreement and its acceptance by the Board of Directors of the Guild, Producer will be signatory to the Basic Agreement.

### 2. Qualification to Produce under this Modified Low Budget Agreement

Producer has represented to the Guild that the Picture is a feature-length motion picture (not less than 80 minutes), with an initial theatrical release, to be filmed entirely within the United States and a total production cost of less than \$625,000. "Total production cost" includes any costs associated with the production, including but not limited to all "above and below the line" costs. Prior to the execution of this Agreement, Producer is required to submit to the Guild a complete, accurate detailed budget, the shooting script, the shooting schedule, the screenplay copyright ownership and registration documentation and any other relevant information, which the Guild may require to verify your representations with regard to the Picture. The terms of this Agreement shall not apply to animation projects.

## 3. <u>Diversity in Casting Incentive</u>

The total production cost maximum, as referenced in section 2 above, may be increased to \$937,500 if Producer has demonstrated diversity in casting by meeting the following criteria:

- A) A minimum of 50% of the total speaking roles and 50% of the total days of employment are cast with Performers who are members of the following four (4) protected groups:
  - 1) Women
  - 2) Senior Performers (sixty (60) years or older)
  - 3) Performers with Disabilities

For purpose of clarification: A motion picture with a cast of ten (10) speaking roles shall have at least five (5) Performers from any or all of the protected groups <u>and</u> two (2) of whom shall be People of Color. Under no circumstances shall an individual be counted in more than one category.

### 4. Background Actor Employment Incentive

Although this agreement does not require coverage of Background Actors pursuant to Schedules X-I or X-II, as an incentive to provide employment opportunities for Background Actors in those areas where the Screen Actors Guild has jurisdiction, the Guild will agree to increase the applicable total production cost maximum in Section 2 or 3 by \$100,000 if the producer meets the following criteria:

- A. Producer shall employ a minimum *average* of three (3) SAG covered Background Actors for each day of principal photography, not including rehearsal days, over the course of the production. [Example: If a production has 20 production days, Producer would be required to employ at least 60 (3 x 20) Background Actors on the production. The requirement would be met by employing 3 Background Actors per day on all 20 days <u>or</u> by utilizing covered Background Actors on specific days to meet the required number.]
- B. Producer must notify SAG in writing of their intent to utilize this incentive prior to the commencement of principal photography. Failure to do so shall render this incentive invalid, regardless of how many SAG covered Background Actors are employed on the production.
- C. In order to verify compliance with this incentive, Producer must submit detailed weekly payroll reports for the SAG covered Background Actors in addition to having met its existing contractual obligations to submit the daily Production Time Reports. Failure to provide both sets of documents shall render the utilization of this incentive invalid.
- D. All terms of Schedule X-I or X-II shall apply to the employment of Background Actors employed pursuant to this incentive."

Provided, that Performer is paid not less than an additional day's pay (one fifth of the weekly rate for a Weekly Performer) for each such sixth day. The sixth day for both Day Performers and Weekly Performers shall be limited to eight (8) consecutive straight time hours. Any time worked beyond the eighth hour on the sixth day shall be paid at the overtime rates described in section 5 above.

### 10. <u>Travel</u>

- a) The applicable travel provisions of the Basic Agreement are modified as follows: A performer shall be deemed to be on an "overnight location" when it is necessary for the performer to remain away from his/her residence overnight for one or more nights, regardless of the location of the producer's base.
- b) Whenever the performer is required to travel away from his/her principal place of residence for whatever purpose, compensation for time spent in travel shall be paid by Producer in addition to transportation expenses and per diem. Producer must furnish lodging and per diem to the performer until the performer is returned to the original place of departure.
- c) Except as modified herein, when Producer is required to provide transportation for a Performer all applicable provisions of the Basic Agreement shall apply, except when air travel is required, Producer may travel a Performer in coach class on a commercial airline. Notwithstanding, if any member of the production staff is flown any class other than coach, all Performers must be flown in the same higher class.

## 11. <u>Responsibilities of Producer</u>

A) <u>Record Keeping</u>

Producer shall maintain and submit to the Guild each week complete production records including but not limited to production time reports and employment contracts. At the conclusion of principal photography, a Final Cast List Information Sheet shall be submitted stating the gross salaries paid thus far to all Performers and whether or not additional photography or sound recording shall be required. In the event that the actual production costs for the Picture have exceeded \$625,000 (or \$937,500 under the Diversity in Casting Incentive), full payment of any additional sums necessary to bring each Performer's rate of pay in compliance with the minimum rates specified in the SAG Letter Agreement for Low Budget Theatrical Pictures (hereinafter, "Low Budget Agreement") automatically shall become due and payable. However, if the actual cost of the Picture exceeds the budget limit specified in the Low Budget Agreement, the minimum rates, terms and conditions specified in the thencurrent Basic Agreement shall become due and payable instead. Pension and Health contributions shall also be paid on these additional amounts.

### 12. Initial Theatrical Release Required

As indicated in Section 2 of this Agreement, an initial theatrical release of the Motion Picture is required. Except as provided below, initial release into any non-theatrical market will require "step-up" payments to performers equivalent to all terms and conditions, including consecutive employment, of the Basic Agreement in effect at the time of principal photography. However, the "step up" payments shall not be due if, after three (3) years from the end of principal photography, the picture fails to get a theatrical release and is initially released in the video/DVD, pay or free television markets. In either instance, the picture shall remain a "theatrical motion picture" for all residual purposes of the Basic Agreement, as modified herein, and shall not be reclassified as a "Made for Pay" or "Free Television" motion picture. Residuals will be due in accordance with General Provisions, Section 5.2 of the Basic Agreement.

For all internet exhibition, producer shall pay performers an aggregate sum equal to three and six-tenths percent (3.6%) of the license fee paid by the licensee for the right to exhibit such picture on the Internet.

Prior to the initial theatrical release of the Picture, Producer must notify the Guild in writing, of the date, city and theater where such initial theatrical release is to take place. The notice is to be addressed to the attention of the Theatrical Contracts Department of the Branch where the film was signed.
